**Post Covid-19 Cancer Care, Education and Leadership
 BIDA Oncology National Conference 2021**

Saturday 19th June
 (Virtual)

Dear Colleagues

British International Doctors Association (BIDA) UK, established in 1975, is the oldest organisation representing International doctors in the United Kingdom. BIDA protects and highlights the interests of ethnic minority doctors and dentists working in the UK and encourages better representation of such doctors in the NHS. We are committed to promoting equal opportunities and maintaining high standards in medical practice.

Thank you for registering for the virtual conference and please spread the details about this programme to the clinicians as the meeting will be useful for clinicians of all specialities and GPs, trainees, allied health professionals including pharmacists and medical students.

The programme incorporates Cancer Care in the NHS and its delivery, which has been affected by the Covid-19 pandemic together with Education, Training and Leadership.

The conference will be hosted by Quilter Financial Advisers, BIDA's preferred provider of financial advice. To register for the BIDA Oncology National Conference please click here - <https://bit.ly/3ez0j0V> After registering, you will receive a confirmation email about joining the webinar.

Please click on the link for details of the final conference programme:
<https://www.bidaonline.co.uk/bida-oncology-conference>

The organising committee wishes to thank you for registering and participating to make the event a huge success.

Best wishes
 Yours sincerely

Chelliah R Selvasekar
 Organising Chairman, BIDA Oncology Conference
